

VIDYODAY MUKTANGAN PARIVAR FOUNDATION

About Vidyoday Mukhtangan Parivar Foundation

[Vidyoday Mukhtangan Parivar Foundation](#) (VMPF) is an organisation started by like minded youth with an aim to reforming society through innovations in education. We believe that in order to come up with a long term solution for contemporary problems, the society is waiting for a much needed reform in education which has the capacity to reach each individual and shape the entire society.

About Projects of VMPF

[Dnyandeep Project](#) is an aspirational project of Vidyoday Mukhtangan Parivar Foundation (Known as Vidyoday), working with Zilla Parishad primary schools to inculcate life skills in students of standard 6 and 7.

The facilitator is engaged for 2 hours every day with students by applying various experimental learning tools to build their grasping capacity. The project is running for the past educational year(2019-20) and helping to improve the educational quality of 5 government schools and creating future leaders with strong life skills.
